

The Bag Ladies of Thornham

£85,000 raised in the last 15 years!

We are a small group of volunteers, who work hard and have fun, raising funds for Thornham village projects.

We stitch, knit, bake, and make using our skills to transform donated fabrics, odd balls of wool and surplus garden produce into saleable items. All profits benefit the village.

We have helped to equip the Village Hall, the Village Cinema, Summer Kids' Club and the History Society. Our donations have helped the cricket and football teams, the children's play area, table tennis and the Bowling Club and All Saints' Church.
